

Eta Iota Mortgage Burning Party

Spring 08

Dear Brothers,
The Mortgage burning signals the start of the flight path to 40th Birthday. Our goal is to add 50 brothers per year to the 1855 club up to the 40th Birthday. That will give us \$100,000 in the bank and cash flow of \$50,000 per year.

The monies will go into a capital fund earmarked for renovations, rebuilding or a new house on Greek row. (thats right ERAU is talking about it) What ever the proceeds are used for we need to start now, our friends at Delta Chi have a head start.

How can you participate ?

You can have a monthly draft from your bank, credit card or annual check.
