### 2010 CHARACTER IN ACTION SCHOLARSHIP

Congratulations on your acceptance to Embry-Riddle Aeronautical University! Your accomplishments have provided you the opportunity to join the thousands of successful Undergraduates and Graduates of our University here, and around the world. On behalf of the Sigma Chi Fraternity, we would like to offer a helping hand to all incoming freshmen in any way possible, beginning with the 2010 Character in Action Scholarship. This scholarship for the incoming class of 2014 will be awarded to two applicants, each being awarded \$500 towards their education here at Embry-Riddle.

Founded in 1971 at Embry-Riddle, The Eta Iota Chapter of Sigma Chi is one of the oldest Fraternities on Campus. The Chapter stays active in our Embry-Riddle community, Daytona Beach, and with alumni across the globe in various occupations from The United States Military to Boeing, and NASA to name a few. Embry-Riddle provides fantastic networking opportunities, as does its Greek Life system. Sigma Chi has also raised thousands of dollars for Children's Miracle Network through fundraising on and off campus, as well as supported other Embry-Riddle Student Organizations' Philanthropic efforts.

Sigma Chi is one of the largest Fraternities in the world, and has been producing leaders since 1855. Founded upon the principle of members with similar core values and aspirations, but with different temperaments, talents, and convictions, Sigma Chi has much to offer a young College man. The brothers of Eta Iota have found a "home away from home" here, relying upon each other for support in all areas of life, from social life to academics. Sigma Chi is about helping one another be the best leaders possible, and bettering ourselves, as well as our community. Notable Alumni Sigma Chi Brothers include Astronaut John W. Young, Brad Pitt, Drew Brees, David Letterman, and John Wayne, who remarked, "Men join Fraternities, leaders of men join Sigma Chi."

Every Brother of the Sigma Chi Fraternity is an individual with something different to offer his University, his Brothers, and the World. By that token, we encourage any incoming freshman to contact us with any questions about Embry-Riddle Student Life, Greek Life, or ERAU in general. We are excited to see a new class of future Leaders enter Embry-Riddle, and look forward to making Embry-Riddle and the world a better place!
