

Sweet Happenings from Your Sweetheart

Sigma Chi ~ Eta Iota

January 16, 2011

Back to school for the active chapter!

Hey! Thank you for all the wonderful emails about the last edition of *Sweet Happenings from Your Sweetheart*! I have been having a great time talking to everyone and getting to know a little bit more about each of the alumnus from Eta Iota.

This issue you can look forward to getting to know a few more of the active brothers as well as other graduated brothers from ERAU. There is also a new surprise – there have been lots of interest in the t-shirts and I even received a new design to try out! So let me know what you think.

This week has been really exciting for the Brothers of Eta Iota. On Wednesday, January 12th, the spring semester begun and

everyone got to share their wonderful stories about what they did over their winter break. One brother got to travel to Thailand and Singapore and another went on a cruise to the Bahamas. Many went home all over the country to Massachusetts, Texas, California, and Pennsylvania and others stayed in town and celebrated the holidays together.

Now that school has started, everyone is getting pumped up for recruiting new guys as potential new brothers and hosting this year's Province, preparing for this semester's Derby Days competition and philanthropy as well as waiting to meet all of you at Birthday. As intramurals start and recruitment begins, look forward to many new pictures of what the guys have been up to!

The Norman Shield Award - To be presented to the most deserving Brother at 40th Birthday coming up

Just in case you missed it in the Jan. 1st edition of *Sweet Happenings from Your Sweetheart*, at HI's 40th Birthday celebration, I would like to reward the Brother who best lives up to the values of Sigma Chi and what the Fraternity aspires to become and believes in, and present him with the very first *Norman Shield Award*.

The recipient of the *Norman Shield Award* will be the Brother who not only held himself accountable but also each of his Brothers. He will be the Brother who gave the most respect to the chapter and the house and made sure he attending both recruitment and philanthropic

events as well as making sure he took care of his grades and financial responsibilities.

This award will not only be judged by myself but also be determined from a chapter vote for which Brother they feel gave the most respect and is most deserving of this great honor.

If you are able, please donate money to the Norman Shield Award – it not only will be a great honor to the Brother who receives it, but will encourage the active chapter to become better men! The winner will be announced at Birthday.

"I am proud to be a Sigma Chi. I have found over the years, in every Sig and Sweetheart I have met, one thread that runs through all of us, that God put us on earth to make the world a little better, and to have some fun in the process."

- Charles C. Gates, Jr.

Meet the *Recruitment Chair* - Christian Schirra [christianschirra@hotmail.com]

Christian "Glee" was the 768th initiate at HI in the Gamma Mu (Spring 2010) pledge class. His positions prior to recruitment chair included IFC representative and Tribune. A 19 yr. old from Ellington, CT, he has wanted to pursue a career in the commercial aviation industry since his first flight in a 747 en route to the Philippines at 16 months. Studying Aeronautical Science, he has earned his private, instrument, and commercial licenses and has logged roughly 150hrs and is working on his CFI. He eventually wants to work for the airlines and fly internationally

across the pacific to Asia as a captain of the 747 or A380. Christian never thought he would join a fraternity but has never regretted the decision of becoming a Sigma Chi. At ERAU, he is involved in the Student Government Association, is a Resident Advisor, played on the school's soccer team in the spring 2010 semester, and a member of the Catholic Student Union and ALPA ACE. He enjoys flying, soccer, movies, ping pong, and hanging out with friends.

Meet the *Scholarship Chair* - Trevor Simms [simmst@my.erau.edu]

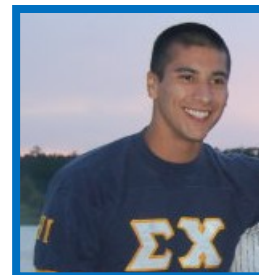

Trevor was in the Gamma Mu pledge class along with Christian. Born September 5, 1991, he bears the nickname "Facial" and became the 770th initiate in the Eta Iota Chapter. Excited about Scholarship chair, he has previously held the positions of secretary, treasurer, and fundraising chair for his pledge class. Trevor hails from Roslyn, New York and is currently a second year student at

Embry- Riddle. He is majoring in Air Traffic Management and has four minors in meteorology, psychology, homeland security, and human factors. Trevor enjoys volleyball, soccer, golf, aviation, hanging out at the beach, and is very active in Sigma Chi's intramural teams. He looks forward to being a great scholarship chair and has many plans to help out those Brothers in need.

Meet an *Active Brother* - Andres Villalobos [villalal@my.erau.edu]

Andres was born on November 25, 1988 and was in the Gamma Lambda pledge class at Eta Iota. As the 764th initiate, Andres bears the nickname "Houdini." Andres is from Guatemala City, Guatemala and studies Aeronautical Science with a minor in Business at Embry-Riddle set to graduate in May 2012. He enjoys

volleyball, going to the beach, and flying. He likes listening to Johnny Cash, Bob Marley, and Sublime and enjoys watching Saturday Night Live and Family Guy. Andres served as Assistant Magister in Spring 2010 and became the Magister in Fall 2010 and led the Gamma Nu pledge class through their pledging period.

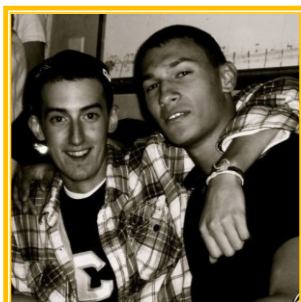

Andres is one lucky guy - not only was he the Magister during Fall 2010 but he is also dating Eta Iota's 2009 and 2010 Sweetheart, Bridget Cox!

Meet a *Newly Initiated Brother* - Rick Lapp [lappbl@my.erau.edu]

Rick was in the Gamma Nu pledge class (Fall 2010). He bears the nickname "Night Vision" and was the 774th initiate into the Eta Iota Chapter - the 1st from his class. Rick was born on January 30, 1992 and is from White Plains, New York majoring in business. He is a huge Yankees fan and enjoys playing golf, pick-up baseball, football, and basketball games with friends. In high school, he was a pitcher and was set to pay Division I Collegiate Baseball in the North. Unfortunately, he developed a heart condition his junior year and his dreams of playing professionally were ended. He lost a huge part of

himself through losing baseball and Sigma Chi has filled that void. The brotherhood gave him back the family he lost and he could not be more thankful. He enjoys the little things in life and nothing could be better than hanging out with his friends and brothers. Rick takes what has happened to him in the most positive view; it has humbled him and made him stronger and a better person. With hopes of pursuing a finance degree, he will be transferring to Marist College next fall. Rick is the IFC representative and would like the alumni know that he is thankful for everything they do for the chapter. He and the Brothers enjoy hearing from them and having them visit!

Ah - a good sign of brotherly love! Here is Rick and Trevor hanging out around the house.

Where are they now? Catch up with alumni and see what they have been up to!

Remembering when ... *A Blast from the Past*

Terry Owens

Founding Consul of Eta Iota

7th Initiate of Eta Iota

Initiated the Alpha Class of Eta Iota

Terry was the founding Consul of the Fraternity that took it from a local social fraternity Sigma Chi Delta, to the Eta Iota Chapter of Sigma Chi. He and the other founders did this in less than a years' time (which back then was a record!).

Terry graduated in 1971 and moved to California in 1974. He has been a banker for over 30 years with spending the past 22 at the U.S. Bank. His office is currently located in Newport Beach, California.

He has always tried to make the major anniversaries and is so proud of how the brothers have carried on the Eta Iota traditions, remained involved in school and community activities and their dedication to Sigma Chi. Little did he realize 40 years ago that so many men would pass through the halls of Eta Iota since its founding in 1971.

His little brother, Dave Wilkinson, was among the Brothers initiated in the Alpha Class. Crazy enough, he and Dave live two miles from each other – purely by accident. Dave is doing extremely well in South Orange County, CA as a real estate agent selling high in homes.

Terry ran into Dave about 10 years ago by chance at a grocery store and ever since has called it fate. Both Terry and Dave participate in the local Sigma Chi Alumni Chapter in CA.

Terry would like to let all the Brothers know that being a Sigma Chi has brought him so many friends as well as business clients that have certainly helped his career.

Ever miss the good ol' times of your college years? Let's check out some of the fun and exciting events of the past!
